My dear Sir:

I am sending you by first mail one copy "Spanish Songs of Old California" and billing it to you at 20% off.

You ought to find a handsome market in that university city for a book like this which has fourteen of the very sort of songs that college boys and girls are looking for - except those who know nothing but Jazz.

The book, though privately printed, is already up in its 7th thousand. In lots of ten I can quote you 1/3 off, carriage paid by express.

Sincerely Yours,

L/c
